Payment is required on collection.

Form Submission

Please email completed form to mrfforders@steritech.com.au

Or print and attach with delivery.

Preparing Your Hives for Treatment

Stack your pallet

A full pallet of beehives is usually 48–54 boxes.

All lids and queen bee excluders **must be stacked on top of boxes** or on a separate pallet.

Lids cannot be placed inside boxes.

Wrap your pallet

Pallets must be completely sealed. Wrapped with plastic top and bottom.

Don't have pallets?

Steritech Merrifield can provide you with empty pallets and plastic.
